I'm confused, I don't have a list, and I don't think we mailed anything. I think we talked about a mailing but changed our minds.

Hi, Bill! I have only one name for the mailing list. Was there a list you sent that I missed? If you have a list you sent to Toarek, I can use that to incorporate into the main list. Hope you are doing well.

Good afternoon, Bill.

We do not have the Wilcox mailing list. I believe Lorraine Jameson might have it based on Zana's e-mail regarding updating the mailing list?

We did the public notice for Wilcox and provided the tear sheets, but we did not do a

mailing.
